Words from the Principality Seneschal

"To catch the reader's attention, place an interesting sentence or quote from the story here."

Greetings unto the Populace of The Summits, Huzzah ! Tourney season is here, offering pageantry and the promise of word-fame for fighters of all skill levels. Fighters, take advantage of the multitude of opportunities to enjoy your sport and increase your skill-set during preparations for WAR ! Consorts, take advantage of the many opportunities that allow you to support your fighter and provide a gentle hand of guidance to those who may be new and wishing to learn this most important skill set.

The month of June all shall witness the setting of the sun on the reign of TAH Luciano and Elizabeth. Please continue to offer your support and good cheers as they prepare for their final court

and step-down. As their reign comes to an end, wish them well and encourage them to allow themselves to take a well-deserved rest after bearing the heavy burden and responsibilities of the Coronet for the past six months.

Harken ! Although the sun may set upon one reign, it is sure to rise upon another! The sun will shine its face upon Their Excellencies Keith and Ekatarina as they ascend the Gryphon Throne to become the 36th Prince and Princess of The Summits. Please join them in celebrating Their Investiture in the Shire of Glyn Dwfyn, June 21 – 23. A fund-raising feast is being prepared honouring the Investiture of HE Keith and HE Ekatarina and

benefitting the Summits Travel Fund. The feast is scheduled to begin at 6:00 pm Saturday evening. If you have not purchased your tickets, please contact HL Einarr (Principality MoAS), as this is surely a feast you will not want to miss!

Enjoy your summer and travel safe. Offer to share-a-ride with someone to enable them to attend an event. Not only will you get to share costs, but you will also get the bonus of being able to enjoy some great company and conversation! In service to Society, Kingdom and Principality, HL VASA d'Este, Seneschal Principality of The Summits
