# Words from Their Alpine Highnesses

As we all return home to Our halls, manors, and hold-fasts, rich with honors, glories, and new friendships won, We, Dread Prince and Princess, turn Our minds to the future of the Principality. We seek to name heirs to the Gryphon thrones. As is good and right, and in accordance with our laws and customs, We shall hold a mighty tournament in September. The victors by skill and inspiration shall be the future of Our Principality, its heart and spirit. Grail-born children of Summits, We call your blades, your words, your songs, crafts, and scholarship. Bring that which is most inspiring, and vie for the throne and future of Our beloved land.

Antoine and Kathren  
Prince and Princess

# June 23rd Investiture Moot Officer Reports

## Agenda and Reports

### Welcome!

Please be brief as we have to be off site by noon.

### Words from Their Alpine Highnesses

1. Discussion of the Coronet event timing—The currently scheduling of Coronet events is creating conflicts with other significant events such as Gulf Wars.
  - March Coronet always conflicts with Gulf Wars so we should move Coronet either a week sooner or later.
  - Proposed the second to last weekend of June rather than the solstice.
2. The language will be carefully crafted to define what a weekend is (i.e. Does it include Sunday in the same month too?)
3. Style of Coronet, bring your best 2 out of 3 every round, double elimination, great weapon (2-handed) for final—the specifications will be published so people can build their own to practice with--4 foot, thrusting tip, bashing pommel for face strikes only, rattan cross-guards; loaner gauntlets will be available
4. I would like to add Dragon's Mist, Three Mountain, Stromgard banners silk banners to the Principality's supplies since they come and play with us so much. Dame Johanna volunteered to make them. Adiantum's Seneschal Lord Murchadh Monaidh Chroaibhe offered to donate the silk.
5. I would like to see increased travel between Summits and Tir Righ. Supporting this would be adding other pieces of regalia to make it easier for Tir Righ to travel.

### Summits Roll of Officers

**Seneschal** – HL Cassandra Deveroux

1. Change of officer forms: It is crucial that the forms are returned, especially seneschals
2. September Coronet bid from MyrtleHolt was approved
3. 11<sup>th</sup> Night bid from Southmarch will be reviewed by the Finance Committee immediately following Moot
4. Planning is beginning for officer training: Job specifics training plus other subjects including: Office 365, EDI, Harassment, and Consent training

**Deputy Seneschal** – Master Piaras mac Toirdhealbhagh

1. N/A NO REPORT

**Calendar Deputy** – HL Kanavati

1. Her term as calendar deputy ends in September; requires a few hours a month; good to do from home

**Social Media Deputy** – HL Kanavati

1. Working on Instagram; Brynhildr Smidsdottir says she will help.

**Bleu Grael Herald** – HL Brendan ap Llewellyn (formerly Countess Berengaria de Montfort de Carcassonne)

1. He is looking for deputies, especially contingency deputy
2. He has planned to do full service consulting tables at future events
3. Looking for a second principality tabard (out of linen instead of the hotter material)
4. Rafe asked about the words for all awards and ceremonial for the website

**Chancellor of the Exchequer** – HL Marcello Fornarius

See report appended to the end of the agenda.

Reports are not going smoothly

We are just getting the Principality's A&S share today  
Turn in your warrant information, driver's license, blue card

You can expend money already allotted without a request; more than budgeted must be approved by the financial committee

Think about comps by financial policy vs comps of choice. Include comps in your event budget.

**Chamberlain – Vis. Diana de Winterton**

1. No report; Principality change-over will happen Tuesday

**Minister of Arts & Sciences – HL Solbella haTayeret**

1. There are many bardic activities happening around our great land and amazing classes.
2. The Summits Bardcast is still accepting submissions. we only received 2 recordings and so we will be collecting them for this year and then submitting them when we have a completed set!
3. Egils was wonderful for all those who could attend and many folks are gearing up for An Tir West War. Vis. Seamus is spearheading classes and activities.
4. I will be re-starting my pet project of having an Artisan Corner. Before I was having difficulty getting photography permissions. So to combat that a bit I will be trying to go to as many events as I can and taking pictures of artisans creations. So I am going to really encourage people to display as often as they can! all interviews and photos will then be sent to the Echoes to help enrich our publication with MORE ART! For those who want to participate but also wouldn't mind doing a video interview we can do that as well!

**Chronicler – Vis. Temperance Trewelove**

1. See attached report

**Chatelaine – HL Naible Martyn**

1. Talking Point: Kingdom is concerned with the number of "No Reports" she routinely sees
2. Business:
  - a. We have 3 branches without a chatelaine (Couer du Val, Corvaria & Southmarch).
  - b. Mountain Edge is the BOMB; fully staffed Chatelain, Deputy, Gold Key
  - c. We have 1 branch with a pending chatelaine (Adiantum)
  - d. This will be a primary focus of rectification. I have established contact with every warranted chatelaine, and identified their individual preferred method of contact. I will be adding the Seneschal's of the branches with no chatelaine in the coming weeks to assure contact is made and reported going forward.
  - e. I have gained access and taken control

of the Officer 365 email.

- f. I found several unanswered emails, and have followed up and made arrangements as possible.
  - g. We have 3 Branch (Mountain Edge, Myrtleholt & Tymberhaven) officers still using personal email. This I also hope to have rectified in the next quarter.
3. Activity:
    - a. I have ordered Principality Business cards, with Principality, and Newcomer resource links.
    - b. At Egils I hosted a newly formatted newcomer orientation titled "Lions, Gryphons & Bears, Oh My! Tips, Tricks and Terminology to navigating this crazy place we call the Middle Ages.
    - c. This format was presented as an open discussion, hosted in my camp instead of as a class in a classroom setting. Everyone left with gifts, and new friends, as well as the answers to their biggest questions. It was a great success, with 22 in attendance.
    - d. I hope to host versions of this orientation often and encourage all the branch chatelaines to launch their own versions.
  4. Recognition - Huge shout out to Mountain Edge for having a full warranted chatelaine staff!

**Gryphon Scribe – Lady Aine Inghean ui Shithigh**

1. I've been ordering supplies like paper, sealing wax and clear envelopes. Also requesting more budget for the office due to price of paper, sealing wax and the clear bags.
2. I would really like to order a new matrix (stamp) for the office. The one we currently have is hard to work with. I have found through Nostalgic Impressions that they'll do custom ones for \$70 plus shipping and we would keep the really pretty one that I currently have as regalia for the officer to wear. It will be much easier to get a good imprint.
3. Offer to come do scribal anywhere
4. Three Mountains says thanks for coming up to scribal

**Family Activities Coordinator – Ulf the Wanderer**

1. No Report

**Minister of the Lists** – HL Gwyneth Blackthorne (installed at Egils)

1. As one newly come to this office I haven't yet had the opportunity to explore. But my first project I would like to undertake is the Lists Shield box. Some of the shield boards do not fit inside of the box properly and make it difficult to close. I have some extra wood from projects, I will undertake to cut out properly sized boards and am willing to paint new boards for the ones that do not fit. I will endeavor to reach out to the owners of the misfit boards before painting them and will return the old boards to the combatants.
2. I will also make alphabetical tabs for organizing the chest going forward.

**Earl Marshal** – Sir Sverre Tjorkillson

1. Be aware of the new weapons style (long sword) that will be used for Coronet final; sometimes fights look a little sketchy if people are thinking so hard about using the new weapon rather than fighting overall

**Archery Deputy** - Tryggr

1. Written report submitted
2. Not much being reported

**Rapier Deputy** – Commodore Iurii Victorev Belogorski

1. Solid showing in field yesterday
2. Most reports he is receiving are on time
3. Projects are on hold
4. He's stepping down in December

**Cut & Thrust Deputy** – Taran dæstingr

1. No Report

**Equestrian Deputy** -

1. VACANT

**War Lord of the Summits** – Ivan Shieldbane

1. Siege weapons are being built
2. His Highness will take the field with fighters on Thursday of war; Summits war song and populace marching

**Youth Armored Combat Deputy** -

1. VACANT

**Webminister** – Lord Rafe Neuton, JdL

1. Keeping up with maintenance and requests.

## Upcoming Championships

### **Summits Defender (Summer Investiture) – Marcus Rufus Octavius**

1. Changeover this weekend; new Defender is Tryggr Tyresson
2. Tryggr Tyresson will join His Highness at AWW

### **Captain of Eagles (Murder in the Desert, Corvaria) – Tryggr Tyresson**

1. Champion knows the date and location of the championship

### **Summits Hunter (Murder in the Desert, Corvaria) – Vacant**

2. Summits Hunter will not be able to attend or run the championship in August. Regalia has been returned.
3. His Highness will marshal the contest if no others are available

### **Captain of Cats (Winter Investiture) – Master Piaras mac Toirdhealbhagh**

3. Rapier will take a war unit too

### **Alpine Scholar (Arts & Sciences and Bardic) – Vis. Temperance Trewelove**

1. Report due at September Coronet

### **Bardic Champion (Arts & Sciences and Bardic) – HL Feradach mac Tralin mec Domongairt**

1. Report due at September Coronet

### **Captain of Tigers (March Coronet) – Ian Campbell**

1. Report due at September Coronet

### **Outrider of the Summits**

1. In abeyance

## Branch Seneschals

### **Adiantum – Lord Murchadh Monaidh Chroaibhe**

1. Polling for heirs was successful and Eobhan and Ayla succeeded Durin and Ceridwen at Egils.
2. Egils was a success despite the absence of Yseult, last minute replacement of the Gate Steward due to illness, weather issues before and during the event, and the Chatelaine having a melt-down and resigning during the final court.
3. The Exchequer transition is finally complete. Doing this through the bank while one of the required signatories is on the East coast has been incredibly difficult.
4. Affordable venues are becoming harder to find. Some excellent facilities are no longer renting, while others are raising prices. This forces us to pass on the cost in site fees, which could eventually price a segment of the population out of the Society. We are putting together a small committee of experienced Event Stewards to do a survey of available venues and catalog them for future events.
5. We continue to live stream our Baronial Council meetings, and will use the cell phone and a Bluetooth speaker for the Egils Debrief on the 17<sup>th</sup>. We hope to develop new ideas and processes from lessons learned from this year's Egils, as it really pushed the envelope for our event staff.

### **Briaroak – Dawnhella Heartsblood**

1. At this time all is well, still working out a few kinks with Seneschal change over, but nothing serious. Shire is pleased to invite everyone to Briaroak Bash Aug 2-4 at our new site. The Umpqua Community Center is going to be a nice change of pace from recent sites. So come enjoy our family friendly site. (The site boasts a fully enclosed children's play area). We will be having our potluck on Saturday after court. So bring a dish and your appetite.

### **Coeur du Val – Bjorki**

1. Doing well. This Thursday is a demo at Memorial Middle School

### **Corvaria – Lord Tighearnan Cearrbhach O’Faolain**

1. It looks like I will be handing off my job as Seneschal of Corvaria at our next business meeting.
2. The last week in August will see Murder in the Desert hosting Captain of Eagles and Summits Hunter, as well as war scenarios and tournaments. Come out and use everything you learned at Sport of Kings!

### **Glyn Dwfn – Fye Jegerin**

1. Everything is going smoothly in our Shire. We are possibly investing in some archery things and looking into doing some fundraising for other marshal pursuits.
2. Hoping to add a Youth Coordinator

### **Mountain Edge – Lady Myvanwy verch Robert, GdS, JdL**

1. Talking point: Acorn War is coming and are therefore in search of teachers, merchants, volunteers, and Marshalls for Target Archery and Thrown Weapons
2. The Exchequer has gotten a handle on and started the process to change our bank signatories.
3. I have figured out how to access the Seneschal email and attended last week’s meeting in Terra Pomaria to learn more about Office 365.
4. We are also working on plans to move the Shire Stuff from Ken and Macha’s to another Shire member’s place.
5. Myvanwy took over after Macha’s passing
6. They are doing a fund-raiser with Serendipity Ice Cream who is donating money back all month

### **Myrtle Holt – Lord Bowen Doyle**

1. Provided a report for Sept Coronet report, added below
2. Two weeks after Coronet Myrtle Holt will hold ARC
3. Doing a demo on Saturday at Rooster Crow; info will be announced

### **Southmarch – HL Brewyn Celestial Wynhaven**

1. The Shire is working on site tokens for 11th Night.
2. Frostbite, the first weekend of November, site has been reserved. Exciting menus are being tried and gate tokens are being worked on along with largesse.

### **Terra Pomaria – Zulaikha al-Zarqa’, Presented by Baroness Ximena**

1. Terra Pomaria is pursuing several avenues to recognize, encourage, and involve our youth population through awards and increased activities specifically for them
2. Terra Pomaria is working to grow its youth-focused aspects
  - a. New youth-centered awards in the works
  - b. New youth archery championship planned for this year’s Long and Short event
  - c. New teen-specific activities at events (still in planning stages, going to be at Kingdom level)
3. September 14 will be Long & Short
4. They are adding Youth Awards; adding a Youth Archery Championship
5. They have several demos coming: one on Friday at the YMCA
6. Fighter practice on the coast this Saturday
7. February A&S could possibly be an exchequer training/Office 365

### **Tymberhavene -**

1. The Shire’s big project is the process of cleaning and maintaining the donated pavilion for future events
2. Hosted three monthly business/social meetings this quarter. Averaged 15-25 attendees. Had two previous SCA members attend Shire events who have moved into our area
3. Hosted War in the Trees. Had a small, but mighty showing. There was a war band practicing near but didn’t come to the event

4. Bash is coming up in September (same time as Acorn War); it was supposed to be a trade but things got fouled up and permission was granted to conflict.

## **Upcoming Coronet & Principality Events**

### **Fall Coronet 2019, Myrtle Holt – Bowen Doyle**

1. Event approved by Finance Committee
2. Updated EIF submitted correcting the date
3. Fire reports are looking good for being able to hold an outdoor event.
4. I also will need to talk to their upcoming highnesses on what kinds class/ activities they would like to see at coronet. I believe 2 weeks after Myrtle Holt will be holding out ARC event

### **Winter Investiture 2019, Southmarch – Vis. Ekatarina Tatiana Aleksandrovna**

1. Planned for the Shilo Inn. Rooms would be \$82 plus tax including breakfast. Bid will be submitted shortly.
2. The site is reserved and budget submitted but waiting for OK from finance committee. Planning a friday evening food social. Dancing will be offered and other classes are being researched.

### **A&S & Bardic Championship 2020**

1. Bid received last week

## **Their Highnesses' Closing Remarks**

Temperance Trewelove, Principality Chronicler

As I have been in office for over a year now and in light of new potentiality of the Principality website, I think it is appropriate to review the recommendations made by my predecessor, Mistress Aoibheall an Sionnach. The chief question that should guide future decisions is: What is the purpose of The Echoes? The original goal was to enhance the communication and exchange of information in the Summits. Now, there are other, more widely used platforms for that information exchange. So again, what is the purpose of The Echoes?

### **Current Format**

The Echoes is currently available as a quarterly subscription. Following established practice, I used MailChimp to distribute my first edition of The Echoes. At that time, I told people that I would not be using MailChimp's service in the future and that I would be posting The Echoes on the Principality website. I asked people to respond to me if they still wished to have editions sent to them. Fewer than a dozen discreet emails asked to have the newsletter sent to them.

Traditionally the monthly Echoes email contains:

- A list of upcoming events for the next 3 months;
- The Principality regnum with officer names and official<sup>1</sup> email addresses;
- The most recent Principality Moot minutes;
- "The Echoes" also contains:
  - Monthly comments and official announcements from The Coronet;
  - Amendments to the Law of the Summits, Financial Policy, and other elements of Principality Law;
  - Announcements from officers;
  - Royal Summons (open offices/officer retirement notices);

### **Echoes Distribution and Readership**

Currently I post a file to the unofficial Summits FB page. We are working on making it possible for me to post to the official Principality website.

### **Echoes Publication Requirements as of 3/2018**

Specific publication requirements for The Echoes are laid out in the Summits Officer Handbook (SOH), the Laws of the Principality of the Summits (PL), and the Summits Event Policy (SEP). The Echoes is not specifically mentioned in Summits Financial Policy (SFP). Those requirements are:

- 1- Must be published at least quarterly (SOH, p13)
- 2- Must publish official Announcements of the Coronet (SOH, p13)
- 3- Must publish amendments to Principality Law (SOH, p13; PL, p5)
- 4- Must publish Principality Law annually (SOH, p13) between June-August (PL, p5)
- 5- Must publish Coronet combat conventions (PL, p8)
- 6- Must publish changes to Investiture if necessary (PL, p10)
- 7- Must publish term expiration dates for officers (PL, p16) three months in advance of end of term for Officers of State (PL, p16)
- 8- Must publish Summits Financial Policy annually (PL, p21)
- 9- Must publish changes to Summits Financial Policy (PL, p21)
- 10- Must publish designated fund balances quarterly (PL, p22)
- 11- Branch events must be published in Echoes to receive official status (SEP, p5)
- 12- Branch event copy must be published in Echoes (SEP, p5)

There is no principality newsletter publishing requirement in either Corpora or An Tir law.

<sup>1</sup> If official email addresses are used, personal emails would not be exposed. However, not everyone is using the official emails provided through Office 365. I recommend that training be provided to help people set mail to forward from Office 365 to personal emails if that is their preference. In that way, only official contact information would be available online.

Much of the information listed above can/could be found other places (see below). Given the limited distribution of The Echoes, it would that most people get this information elsewhere.

### **Questions for discussion**

***Is a newsletter necessary?*** There are no requirements for a Principality newsletter in Corpora or Kingdom Law. If the information required to be published is accessible in more engaging formats, perhaps we should abandon the idea of a separate newsletter; production of The Echoes in its current format seem redundant.

***Should the newsletter requirements be changed and/or clarified?*** For example, Principality law allows for the newsletter to be published quarterly. Principality law also requires that branch event copy be published in the newsletter, which becomes difficult to ensure unless the newsletter is published every month. This should be clarified in the Summits Event Policy.

***Are there better ways to get this information out to the populace?*** The Summits web page already includes the Principality Laws and a detailed regnum with officer term limits. The Curia/Moot Minutes page on the old Summits website already existed and could be added to the new and updated. Event stewards regularly post branch event copy and updates on Facebook.

***If a Principality newsletter is necessary and/or desirable, what should be its focus, and what should it include?*** The Summits Officers Handbook states that the Chronicler should “encourage publication of the results of research by any member of the populace of the Principality.” This suggests that perhaps the Principality newsletter should look more like an A&S magazine than The Crier. Traditionally, SCA newsletters have also served as written “snapshots” of a group at a particular moment in time, so perhaps The Echoes should look more like a Domesday Book.

### **Recommendations:**

- To improve transparency, the Quarterly Moot minutes and financials should be disseminated more widely. They should be posted on the official Principality page.
- In view of the role of social media and the fact that events are posted online, the Coronet and Seneschal should review the event copy requirements in the Summits Event Policy to bring it in line with practice and eliminate the need for publication in The Echoes.
- The Coronet and Seneschal might consider establishing an advisory work group to make recommendations as to the best future direction for The Echoes. This work group should include the Seneschal, Chronicler, Web Minister, and Social Media Officer, as well as any other interested members of the populace. The work group would review The Echoes in Summits law and custom, publishing requirements for The Echoes, and the information needs of the populace. Recommendations would be presented at an upcoming Moot for official consideration.

## Outpouring of statues counters ig-gnome-inious deed

SCAdians rose to the challenge issued by the King of the West to right a thoughtless and destructive act. During AWW 2018, someone destroyed the dozen wild land creatures and gnomes Master Trahaearn's daughter, Abby, had repainted and placed along the creek's pathways.

His Majesty encouraged each camping group to return for AWW

2019 with a gnome to help replace the statuary. Good gentles donated more than two-hundred gnomes and creatures over the course of the War. Forty-nine tokens arrived by mail even before the start of the event.

Upon learning of the destruction, the household Black Company collected donations to replace the damaged figures and promised to send a gnome a month to help replace them.

According to Trahaearn, "having the gnomes and trail signs helped bring people down that have never ventured to the shade and cool pools before." Though the trails and gnome positioning "has become its own beast" Trahaearn says they plan on continuing to place the creatures and hope to improve the trails.
